## About Us

We, Chemprocess Machinery, are headquartered in Mumbai, Maharashtra, India, and are one of only a handful of companies that specialize as a manufacturer, supplier, trader, and retailer of Agitated Nutsche Filter Dryer, Industrial Condenser, Cone Blender, Fluid Bed Dryer, Heat Exchanger, etc. We are ideally positioned to serve the growing demands of the chemical and pharmaceutical markets of India. We have established a sound infrastructure where we have quick access to all the latest technology-based equipment for meeting market needs and our set quality standards. We also have a group of professionals that working in our well-managed workplace in close coordination support our timely delivery schedules and quality assurance strategies. With their assistance, we have gained many clients since our inception in 2004.

Established in the year 2004, we, Chemprocess Machinery are a known manufacturer, supplier, trader, and retailer of Heat Exchanger, PP Plate Filter Press, Mixing Tank, Ribbon Blender, Octagonal Blender, and many more products. Based in Mumbai, Maharashtra, India, our unit is managed well under the proficient guidance of Mr. Shakeel Khan (Proprietor). With his able guidance, our organization has acquired a strong foothold in the manufacturing and retailing industry. Owing to his strong business insight and rich industry experience, we have been able to provide the utmost level of satisfaction to our clients spread across the domestic market. We also abide by his client-centric policies and always provide our range at industry-leading rates to patrons.
